### Our Mission...

Motivated by the love of God, the mission of Lower Lights Ministries is to promote the development and well-being of individuals, families, and the community of Franklinton by partnering together as loving neighbors.

### What we do...

**Rachel's House** is a nationally recognized transitional housing program for female ex-offenders. We offer quality housing, case management, access to primary and behavioral health services, family reunification, and mentoring services. Since 2007, no program graduates have returned to prison.

**Light the Way Home** is a 12- to 36-month transitional housing program for low- to moderate-income Franklinton residents. We offer affordable housing, community development, integrated services and mentoring to assist residents in achieving homeownership/market-rate housing.

**Project AIM** (Achieving Interdependence through Modeling) uses a comprehensive mentoring approach to assist low-income families in identifying barriers to success. By providing 2-4 mentors per family, we help to build upon each family's assets and capacity.

**Summer Day Camp** provides a safe, positive, and enriching environment for 70 at-risk, elementary-aged children on weekdays throughout a 4-week period.

**Neighbor to Neighbor** leverages local resources to assist Franklinton homeowners/residents with basic capital improvements and light home maintenance to improve living conditions.

### How we do it...

- Investment** - Making a donation to support our cause
- Involvement** - Volunteering your time to serve others
- Intercession** - Praying for our ministry and those we serve.
